**GRAND CHAPTER OF
NORTH CAROLINA**

Mentor for New Members

We thank you for serving as a Mentor for our new member. You have been asked to fill an important part in keeping our new member informed of what is going on in our Chapter.

SUGGESTED ACTIVITIES

1. The Mentor should sit outside with the candidate before initiation. This is a great opportunity for the Mentor and Candidate to get to know each other. Also, the Mentor can answer any questions or concerns that the candidate might have before being initiated.
2. After the initiation ceremony, the new member should be seated with the Mentor and other Chapter members.
3. After the close of the meeting, the Mentor should introduce the new Sister/Brother to as many members as possible.
4. Mentor and new member should exchange addresses, phone numbers and e-mail addresses.
5. The Mentor is encouraged to call the new member before each meeting and special activity to remind her/him, encourage her/him to attend and make sure she/he has transportation for the event.
6. It is suggested that the Mentor sit with the new member at meetings if possible. This time can be used to explain our activities and to answer any questions. If the Mentor is involved in some project for the Chapter (refreshments, set-up, etc), make sure the new member is part of the activity.
7. The Mentor should continue to introduce the new Sister/Brother to other members and/or visitors.
8. The Mentor should find out what the new member would like to do in our Order and encourage her/him to participate. (The Mentor should report this to the Worthy Matron and/or the Associate Matron.)
9. The Mentor should make sure the new member is aware of the Eastern Star Chapters in the District, and in the Grand Chapter of North Carolina. She/he should be encouraged to participate in all activities possible.

10. The Mentor should also inform the new member of the various Eastern Star programs: The projects of the current Worthy Grand Matron as well as all Eastern Star charities. The new member may also be interested in other organizations in the Masonic Family, such as Rainbow for Girls, Job's Daughters or DeMolay.
11. What you say to the new member as her/his Mentor, might make a difference on what she/he thinks of our Order. Always think and do positive things about the Order of the Eastern Star.

REMEMBER, THEREFORE, THAT IT DEPENDS GREATLY UPON THE MANNER IN WHICH YOU INSTRUCT THE NEW MEMBER WHETHER SHE/HE WILL BECOME AN ACTIVE MEMBER OF OUR ORDER.
