Members of the Eastern Star,

My name is Christan Hickman and I am excited to be filling the role of camp director this year at Camp Gray Rock. I've been a part of the camp for the last 12 years; I spent 7 years as a camper and 5 as a counselor, and I look forward to see what this year has in store. I am also an English teacher at a middle school in Guilford county and an assistant basketball coach. With that being said I need your help.

It's time to start making preparations for the 2017 camp sessions. Some of the activities this year will include: Tweetsie Railroad, archery, air rifles, low ropes course, fishing, and arts and crafts.

The girls' sessions will begin on Sunday June 18th, June 25th, July 9th, and July 16th. The boys session will start July 23rd. While sponsorship is not mandatory for a child to attend camp it is encouraged. The campers' families are responsible for the \$280.00 registration fee and spending money for Tweetsie and camp vending machines. A chapter may choose to help with the registration fee.

We can house up to 72 campers a week and it's a dream of mine to see every cabin full. I hope that you will greatly consider sponsoring campers as it is one of my goals to see camper registration increase. I have attached a copy of the application. If the chapter needs more please make copies! They need to be labeled: white copy, yellow copy, and pink copy.

The white copy of the application needs to be mailed to the following address: Christan Hickman 2311 Brassfield Rd. Greensboro, NC 27410. We ask that registration forms be received by May 1, 2017 so we can staff the camp accordingly. I would love to have to hire six counselors; that would mean all six cabins are needed!!

The yellow copy with a check for the \$280.00, made payable to Camp Gray Rock, will be mailed to: Camp Rainbow, Inc. C/O Marsha Lawrence. 6002 Chalet Dr. Oak Ridge, NC 27310. The pink copy is kept for camper records.

Sincerely,
Christan Hickman
